Англійська мова глобалізації та європейської інтеграції = English for Globalisation and Euro-Integration : Coursebook / O. Nozhovnik, T. Harbuza, O. Zatserkovnyi. – Kyiv : State University of Trade and Economics, 2025. – 140 p.

ISBN 978-966-918-215-9

DOI: 10.31617/np.knute.2025-338

This coursebook is intended for classroom use and self-study to improve English proficiency in the field of international relations, public communications, and regional studies. It aligns with international educational standards and incorporates authentic texts, multimedia materials, and discussion topics on globalisation to develop listening, speaking, and critical thinking skills at the B1(+) level.

The coursebook is suitable for undergraduate students, educators, master's and international programme participants, postgraduates, researchers, and professionals engaged in foreign economic activities who seek to enhance their English language competence for academic and professional purposes.
